A screenshot of the WADAConnect 'Consultations' page. The page shows a table with columns for '2015 Code Review', 'From', 'To', and 'Information'. The first row of the table is highlighted with a red oval. The text 'First Code Consultation Phase' is blue, and the word 'OPEN' is in a green box. The text '(114 days remain)' is in parentheses. The 'Information' column shows '(3 Comments - Not submitted)'.

5. Using the index at the left [1], select the section of the consultation for which you would like to leave a comment [2]. You can expand and collapse sections by clicking the plus and minus signs to the left of each section [3].

Clicking each section title in the index brings up a text box at right where you can enter, format and save your comments [4]. To view any resources or documents associated with the consultation, click the 'Access Resource Document(s)' button [5].

Once you've saved comments for a section, an icon indicating the number of comments saved within that section appears. By clicking to expand that section, you will see a green check mark next to those sections for which you have saved comments [6].

When your comments are entered and formatted, click 'Save' or 'Cancel' to keep or discard them [7].

6. Each consultation round is open for a set period of time. You can always see how much time remains in the 'Time Remaining' box at right in any consultation.

7. Once you've finished submitting all comments for the round, click the 'I'm done! Submit my comments' button. You will be asked to confirm your submission. Once you have submitted your comments, they cannot be modified.
