 Agreement not signed

In 2004, WADA established or renewed Agreements with 26 out of 28 Summer, and 7 out of 7 Winter Olympic Federations. Additional Agreements were in place with 6 Recognized Federations.

In 2004, WADA conducted 2327 out-of-competition doping controls across 118 nationalities in 62 countries. The 2004 program resulted in 19 adverse analytical findings and 4 refusals.

An additional 169 samples were collected by WADA as part of the WADA/IOC/ATHOC task force, which coordinated sample collection prior to and during the 2004 Athens Olympic Games.
