The problem:

Increasing demand for high-quality, experienced ABP experts
- as more ADOs implement ABP programs
- the TD2019APMU comes into force
**Approach**

- **Goals**
  - Standardized and ongoing training of existing and new experts
  - Tracking of expert education and possible certification of ABP experts

- **Reference guide**
  - Electronic, updated regularly

- **Series of webinars**
  - 1 basic, 1 advanced and 1 cases: ~2x a year each (6 in total)

- **Audience**
  - All existing members of an APMU panel of experts
  - Qualified individuals interested becoming ABP experts
  - Approved APMUs
Content

- Basic principles
- Operational aspects
- Blood module
- Steroidal module – in development
Anti-Doping e-Learning Platform

- Consolidation of all WADA eLearning programs
- Single account and one sign-in for all users
  - WADA or ADO can manage users
- Barriers to distribution of content
  - Prevents text copying and downloading
- Stable access to content
- Customized content
- Tracks time on platform
- Tailored experience for users
- Mobile Friendly
- Ease of Translation
