

Global Education Conference Invited Delegate Letter

Dear Guest,

From 20-22 September 2022, the World Anti-Doping Agency (WADA), in partnership with Sport Integrity Australia, will hold the third WADA Global Education Conference (GEC) at the International Convention Centre in Sydney, Australia.

Under the theme Cooperation, Implementation and Innovation, the GEC will be an opportunity for practitioners and other important stakeholders engaged in clean sport education to come together to expand their knowledge, discuss challenges, share best practices, and inspire each other to create quality education programs.

The 2-day Conference program will be followed on 22 September by the Sport Integrity Australia Innovation Day, which will offer workshops to stimulate new ideas and approaches to education, as well as opportunities for regional discussions and networking. Sport Integrity Australia will also host an Open Day on 19 September to allow participants to learn about the operations of the local Anti-Doping Organizations (ADOs).

During the conference, participants will be engaged through presentations, discussions and activities. Topics such as the value of education, athlete vulnerabilities, and how to develop clean sport behaviors will be addressed in the plenary. Breakout sessions will include topics such as: educating athletes at all stages of the athlete pathway; educating athlete support personnel; designing the learning experience; developing education activities; educators; and measuring the impact of an education program.

WADA and Sport Integrity Australia would be delighted to extend an open invitation to you to attend the GEC. A link to the online registration is available on the GEC webpage. Please take the time to visit and review the GEC webpage on WADA's website, which will provide you with further information about the event. In addition, we remind all guests to ensure they check the relevant travel requirements applicable to them prior to travel.

We look forward to welcoming you at our third Global Education Conference in September.

Yours sincerely,

Amanda Hudson
Director, Education, WADA

Alexis Cooper
Director, Education, Sport Integrity Australia
