## INTRODUCTION

### Preface

The *International Olympic Committee (IOC)* is the supreme authority of the Olympic Movement and, in particular, the Olympic Games. Any *Person* belonging in any capacity whatsoever to the Olympic Movement is bound by the provisions of the Olympic Charter and is required to abide by the decisions of the *IOC*.

The Olympic Charter reflects the importance that the *IOC* places on the fight against doping in sport and its support for the *Code* as adopted by the *IOC*.

The *IOC*, as *Signatory* to the *Code*, has established and adopted these *Rules* in accordance with the *Code*, expecting that, in the spirit of sport, it will contribute to the fight against doping in the Olympic Movement. The *Rules* are complemented by other *IOC* documents and *WADA* documents including, *inter alia*, the *International Standards*.

### Scope of these Rules

These *Rules* apply in relation to *the Olympic Games Paris 2024*. They shall, without limitation, apply to all *Anti-Doping Activities* and *Doping Controls* over which the *IOC* has jurisdiction in relation to the *Olympic Games Paris 2024*.

These *Rules* shall, without limitation, apply to (a) the *IOC* (including its Executive Board members, directors, officers, employees, the *ITA* and other *Delegated Third Parties* and their directors, officers and employees, who are involved in any aspect of *Doping Control*); (b) all *Athletes* entered in or preparing for the *Olympic Games Paris 2024* or who have otherwise been made subject to the authority of the *IOC* in connection with the *Olympic Games Paris 2024* (see below); (c) all *Athlete Support Personnel* supporting such *Athletes*; (d) other *Persons* participating in, or accredited to, the *Olympic Games Paris 2024* including, without any limitation, *International Federations* and *NOCs*; (e) *Paris 2024* (including its members, directors, officers, employees, who are involved in any aspect of *Doping Control*); and (f) any *Person* operating (even if only temporarily) under the authority of the *IOC* in relation to the *Olympic Games Paris 2024*.

*Athletes* entered in the *Olympic Games Paris 2024* or who have otherwise been made subject to the authority of the *IOC* in connection with the *Olympic Games Paris 2024* are bound by these *Rules* as a condition of eligibility to participate in the *Olympic Games Paris 2024*. *Athletes* shall, without limitation, be subject to the authority of the *IOC* upon being put forward by their *NOC* as potential participants in the *Olympic Games Paris 2024* in advance of the *Period of the Olympic Games Paris 2024* and shall in particular be considered to be entered into the *Olympic Games Paris 2024* upon being included in the final *NOC* delegation list.

The *Athlete Support Personnel* supporting such *Athletes* and other *Persons* participating in, or accredited to, the *Olympic Games Paris 2024* are bound by these *Rules* as a condition of such participation or accreditation.

*Persons* operating (even if only temporarily) under the authority of the *IOC* in connection with the *Olympic Games Paris 2024* are bound by these *Rules* as a condition of their participation or involvement in the *Olympic Games Paris 2024*.

Italicized terms in these Anti-Doping Rules are defined terms in Appendix 1.

## **Delegation to the ITA**

The *IOC* is a *Signatory* to the *Code* and these *Rules* are adopted by the *IOC* in accordance with the mandatory provisions of the *Code*.

In accordance with the *Code* and these *Rules*, the *IOC* has agreed to delegate some of its responsibilities related to the implementation of all or part of the *Doping Control* in relation to the *Olympic Games Paris 2024* to the *ITA* as further described hereunder, including without limitation, test distribution planning, *TUEs* and *Results Management*. The *ITA*, in turn, may sub-delegate the implementation of *Doping Control* as appropriate and customary to other *Delegated Third Parties* (for example to *Paris 2024* or *Sample collection agencies*). References in these *Rules* to the *ITA* shall exceptionally, due to the *IOC's* status as a *Major Event Organisation* and where applicable within the context of the aforementioned delegation, be construed and interpreted as references to the *ITA* acting on behalf of the *IOC*.

Notwithstanding the above delegation to the *ITA* (or other *Delegated Third Parties*), and in accordance with the *Code* and the *International Standard for Code Compliance by Signatories*, the *IOC* shall, as the *Signatory*, remain responsible from a *Code* compliance perspective for all aspects of *Doping Control* conducted at the *Olympic Games Paris 2024*.

Further, and for the avoidance of doubt, while the *ITA* may act on its behalf, the *IOC* shall be considered as the party asserting anti-doping rule violations and for the purpose of any actions taken within the *Results Management* process, including proceedings in front of the hearing body or in any other matter under these *Rules* where that role would appropriately fall to a *Signatory* under the *Code*. Without limitation, this includes the position of applicant, and in the event of appeal, appellant or respondent as the case may be.

## ARTICLE 1 – DEFINITION OF DOPING

Doping is defined as the occurrence of one or more of the anti-doping rule violations set forth in Article 2.1 through Article 2.11 of these *Rules*.

## ARTICLE 2 – ANTI-DOPING RULE VIOLATIONS

The purpose of Article 2 is to specify the circumstances and conduct which constitute anti-doping rule violations.

*Athletes* and other *Persons* shall be responsible for knowing (and shall be deemed to know) what constitutes an anti-doping rule violation and the substances and methods which have been included on the *Prohibited List*.

The following constitute anti-doping rule violations:

### 2.1 **Presence of a *Prohibited Substance* or its *Metabolites* or *Markers* in an *Athlete's Sample***

**2.1.1** It is the *Athletes'* personal duty to ensure that no *Prohibited Substance* enters their bodies. *Athletes* are responsible for any *Prohibited Substance* or its *Metabolites* or *Markers* found to be present in their *Samples*. Accordingly, it is not necessary that intent, *Fault*, *Negligence* or knowing *Use* on the *Athlete's* part be demonstrated in order to establish an anti-doping rule violation under Article 2.1.

**2.1.2** Sufficient proof of an anti-doping rule violation under Article 2.1 is established by any of the following: presence of a *Prohibited Substance* or its *Metabolites* or *Markers* in the *Athlete's A Sample* where the *Athlete* waives analysis of the *B Sample* and the *B Sample* is not analysed; or, where the *Athlete's B Sample* is analysed and the analysis of the *Athlete's B Sample* confirms the presence of the *Prohibited Substance* or its *Metabolites* or *Markers* found in the *Athlete's A Sample*; or where the *Athlete's A* or *B Sample* is split into two parts and the analysis of the confirmation part of the split *Sample* confirms the presence of the *Prohibited Substance* or its *Metabolites* or *Markers* found in the first part of the split *Sample* or the *Athlete* waives analysis of the confirmation part of the split *Sample*.

**2.1.3** Excepting those substances for which a *Decision Limit* is specifically identified in the *Prohibited List* or a *Technical Document*, the presence of any reported quantity of a *Prohibited Substance* or its *Metabolites* or *Markers* in an *Athlete's Sample* shall constitute an anti-doping rule violation.

**2.1.4** As an exception to the general rule of Article 2.1, the *Prohibited List*, *International Standards*, or *Technical Documents* may establish special criteria for reporting or the evaluation of certain *Prohibited Substances*.

## **2.2 Use or Attempted Use by an Athlete of a Prohibited Substance or a Prohibited Method**

**2.2.1** It is the *Athletes'* personal duty to ensure that no *Prohibited Substance* enters their bodies and that no *Prohibited Method* is *Used*. Accordingly, it is not necessary that intent, *Fault*, *Negligence* or knowing *Use* on the *Athlete's* part be demonstrated in order to establish an anti-doping rule violation for *Use* of a *Prohibited Substance* or a *Prohibited Method*.

**2.2.2** The success or failure of the *Use* or *Attempted Use* of a *Prohibited Substance* or *Prohibited Method* is not material. It is sufficient that the *Prohibited Substance* or *Prohibited Method* was *Used* or *Attempted* to be *Used* for an anti-doping rule violation to be committed.

## **2.3 Evading, Refusing or Failing to Submit to Sample Collection by an Athlete**

Evading *Sample* collection; or refusing or failing to submit to *Sample* collection without compelling justification after notification by a duly authorised *Person*.

## **2.4 Whereabouts Failures by an Athlete**

Any combination of three missed tests and/or filing failures, as defined in the *International Standard for Results Management*, within a twelve-month period by an *Athlete* in a *Registered Testing Pool*.

## **2.5 Tampering or Attempted Tampering with any Part of Doping Control by an Athlete or Other Person**

## **2.6 Possession of a Prohibited Substance or a Prohibited Method by an Athlete or Athlete Support Personnel**

**2.6.1** *Possession* by an *Athlete In-Competition* of any *Prohibited Substance* or any *Prohibited Method*, or *Possession* by an *Athlete Out-of-Competition* of any *Prohibited Substance* or any *Prohibited Method* which is prohibited *Out-of-Competition* unless the *Athlete* establishes that the *Possession* is consistent with a *TUE* granted in accordance with Article 4.4 of the *Code* or other acceptable justification.

**2.6.2** *Possession* by an *Athlete Support Personnel In-Competition* of any *Prohibited Substance* or any *Prohibited Method*, or *Possession* by an *Athlete Support Personnel Out-of-Competition* of any *Prohibited Substance* or any *Prohibited Method* which is prohibited *Out-of-Competition* in connection with an *Athlete*, *Competition* or training, unless the *Athlete Support Personnel* establishes that the *Possession* is consistent with a *TUE* granted to an *Athlete* in accordance with Article 4.4 of the *Code* or other acceptable justification.

## **2.7 Trafficking or Attempted Trafficking in any Prohibited Substance or Prohibited Method by an Athlete or Other Person**

**2.8 Administration or Attempted Administration by an Athlete or Other Person to any Athlete In-Competition of any Prohibited Substance or Prohibited Method, or Administration or Attempted Administration to any Athlete Out-of-Competition of any Prohibited Substance or any Prohibited Method that is prohibited Out-of-Competition**

**2.9 Complicity or Attempted Complicity by an Athlete or Other Person**

Assisting, encouraging, aiding, abetting, conspiring, covering up or any other type of intentional complicity or *Attempted* complicity involving an anti-doping rule violation, *Attempted* anti-doping rule violation or violation of Article 10.14.1 of the *Code* by another *Person*.

**2.10 Prohibited Association by an Athlete or Other Person**

**2.10.1** Association by an *Athlete* or other *Person* subject to the authority of an *Anti-Doping Organisation* in a professional or sport-related capacity with any *Athlete Support Personnel* who:

**2.10.1.1** If subject to the authority of an *Anti-Doping Organisation*, is serving a period of *Ineligibility*; or

**2.10.1.2** If not subject to the authority of an *Anti-Doping Organisation*, and where *Ineligibility* has not been addressed in a *Results Management* process pursuant to the *Code*, has been convicted or found in a criminal, disciplinary or professional proceeding to have engaged in conduct which would have constituted a violation of anti-doping rules if *Code*-compliant rules had been applicable to such *Person*. The disqualifying status of such *Person* shall be in force for the longer of six years from the criminal, professional or disciplinary decision or the duration of the criminal, disciplinary or professional sanction imposed; or

**2.10.1.3** Is serving as a front or intermediary for an individual described in Article 2.10.1.1 or 2.10.1.2.

**2.10.2** To establish a violation of Article 2.10 of these *Rules*, an *Anti-Doping Organisation* must establish that the *Athlete* or other *Person* knew of the *Athlete Support Personnel's* disqualifying status.

The burden shall be on the *Athlete* or other *Person* to establish that any association with an *Athlete Support Personnel* described in Article 2.10.1.1 or 2.10.1.2 is not in a professional or sport-related capacity and/or that such association could not have been reasonably avoided.

If the *IOC* or *ITA* becomes aware of an *Athlete Support Personnel* who meets the criteria described in Article 2.10.1.1, 2.10.1.2 or 2.10.1.3, it shall submit that information to *WADA*.

## **2.11 Acts by an *Athlete* or Other *Person* to Discourage or Retaliate Against Reporting to Authorities**

Where such conduct does not otherwise constitute a violation of Article 2.5 of these *Rules*:

**2.11.1** Any act which threatens or seeks to intimidate another *Person* with the intent of discouraging the *Person* from the good-faith reporting of information that relates to an alleged anti-doping rule violation or alleged non-compliance with the *Code to WADA*, an *Anti-Doping Organisation*, law enforcement, regulatory or professional disciplinary body, hearing body or *Person* conducting an investigation for *WADA* or an *Anti-Doping Organisation*.

**2.11.2** Retaliation against a *Person* who, in good faith, has provided evidence or information that relates to an alleged anti-doping rule violation or alleged non-compliance with the *Code to WADA*, an *Anti-Doping Organisation*, law enforcement, regulatory or professional disciplinary body, hearing body or *Person* conducting an investigation for *WADA* or an *Anti-Doping Organisation*.

For purposes of Article 2.11 of these *Rules*, retaliation, threatening and intimidation include an act taken against such *Person* either because the act lacks a good faith basis or is a disproportionate response.

## **ARTICLE 3 – PROOF OF DOPING**

### **3.1 Burdens and Standards of Proof**

The *IOC* (or the *ITA* acting before the hearing panel on behalf of the *IOC* as set forth in Article 8.1.1 of these *Rules*) shall have the burden of establishing that an anti-doping rule violation has occurred. The standard of proof shall be whether the *IOC* has established an anti-doping rule violation to the comfortable satisfaction of the hearing panel bearing in mind the seriousness of the allegation which is made. This standard of proof in all cases is greater than a mere balance of probabilities but less than proof beyond a reasonable doubt. Where these *Rules* place the burden of proof upon the *Athlete* or other *Person* alleged to have committed an anti-doping rule violation to rebut a presumption or establish specified facts or circumstances, except as provided in Articles 3.2.2 and 3.2.3 of these *Rules*, the standard of proof shall be by a balance of probabilities.

### **3.2 Methods of Establishing Facts and Presumptions**

Facts related to anti-doping rule violations may be established by any reliable means, including admissions. The following rules of proof shall be applicable in doping cases:

- 3.2.1** Analytical methods and *Decision Limits* approved by WADA after consultation within the relevant scientific community, or which have been the subject of peer review, are presumed to be scientifically valid. Any *Athlete* or other *Person* seeking to challenge whether the conditions for such presumption have been met or to rebut this presumption of scientific validity shall, as a condition precedent to any such challenge, first notify WADA of the challenge and the basis of the challenge. The CAS (including *CAS Anti-Doping Division*), the initial hearing body or appellate body on its own initiative may also inform WADA of any such challenge. Within 10 days of WADA's receipt of such notice and the case file related to such challenge, WADA shall also have the right to intervene as a party, appear *amicus curiae* or otherwise provide evidence in such proceeding. In cases before the *CAS Anti-Doping Division*, at WADA's request, the *CAS Anti-Doping Division* panel shall appoint an appropriate scientific expert to assist the panel in its evaluation of the challenge.
- 3.2.2** WADA-accredited laboratories, and other laboratories approved by WADA, are presumed to have conducted *Sample* analysis and custodial procedures in accordance with the *International Standard* for Laboratories. The *Athlete* or other *Person* may rebut this presumption by establishing that a departure from the *International Standard* for Laboratories occurred which could reasonably have caused the *Adverse Analytical Finding*. If the *Athlete* or other *Person* rebuts the preceding presumption by showing that a departure from the *International Standard* for Laboratories occurred which could reasonably have caused the *Adverse Analytical Finding*, then the *IOC* shall have the burden to establish that such departure did not cause the *Adverse Analytical Finding*.
- 3.2.3** Departures from any other applicable *International Standard* or other anti-doping rule or policy set forth in these *Rules* shall not invalidate analytical results or other evidence of an anti-doping rule violation, and shall not constitute a defence to an anti-doping rule violation, provided, however, if the *Athlete* or other *Person* establishes that a departure from one of the specific *International Standard* provisions listed below could reasonably have caused an anti-doping rule violation based on an *Adverse Analytical Finding* or whereabouts failure, then the *IOC* shall have the burden to establish that such departure did not cause the *Adverse Analytical Finding* or whereabouts failure:
- 3.2.3.1** a departure from the *International Standard* for Testing and Investigations related to *Sample* collection or *Sample* handling which could reasonably have caused an anti-doping rule violation based on an *Adverse Analytical Finding*, in which case the *IOC* shall have the burden to establish that such departure did not cause the *Adverse Analytical Finding*;
- 3.2.3.2** a departure from the *International Standard* for Results Management or *International Standard* for Testing and Investigations related to *Adverse Passport Finding* which could reasonably have caused an anti-doping rule violation, in which case the *IOC* shall have the burden to establish that such departure did not cause the anti-doping rule violation;

- 3.2.3.3** a departure from the *International Standard* for Results Management related to the requirement to provide notice to the *Athlete* of the *B Sample* opening which could reasonably have caused an anti-doping rule violation based on an *Adverse Analytical Finding*, in which case the *IOC* shall have the burden to establish that such departure did not cause the *Adverse Analytical Finding*;
- 3.2.3.4** a departure from the *International Standard* for Results Management related to *Athlete* notification which could reasonably have caused an anti-doping rule violation based on a whereabouts failure, in which case the *IOC* shall have the burden to establish that such departure did not cause the whereabouts failure.
- 3.2.4** The facts established by a decision of a court or professional disciplinary tribunal of competent jurisdiction which is not the subject of a pending appeal shall be irrebuttable evidence against the *Athlete* or other *Person* to whom the decision pertained of those facts unless the *Athlete* or other *Person* establishes that the decision violated principles of natural justice.
- 3.2.5** The hearing panel in a hearing on an anti-doping rule violation (including for the avoidance of doubt, the *CAS Anti-Doping Division*) may draw an inference adverse to the *Athlete* or other *Person* who is asserted to have committed an anti-doping rule violation based on the *Athlete's* or other *Person's* refusal, after a request made in a reasonable time in advance of the hearing, to appear at the hearing (either in person or telephonically as directed by the hearing panel) and to answer questions from the hearing panel and the *ITA*.

## **ARTICLE 4 – THE PROHIBITED LIST**

### **4.1 Incorporation of the *Prohibited List***

These *Rules* incorporate the *Prohibited List* which is published and revised by *WADA* as described in Article 4.1 of the *Code*. The *NOCs* shall be responsible for ensuring that their delegations, including their *Athletes*, are made aware of such *Prohibited List*. Notwithstanding the foregoing, ignorance of the *Prohibited List* shall not constitute an excuse for any *Participant* or other *Person* participating in, or accredited to, the *Olympic Games Paris 2024*.

### **4.2 *Prohibited Substances and Prohibited Methods Identified on the Prohibited List***

#### **4.2.1 *Prohibited Substances and Prohibited Methods***

Unless provided otherwise in the *Prohibited List* or a revision, the *Prohibited List* and revisions shall go into effect under these *Rules* three months after publication by *WADA*, without requiring any further action by the *IOC*.

#### **4.2.2** All *Athletes* and other *Persons* shall be bound by the *Prohibited List*, and any revisions thereto, from the date they go into effect, without further formality. It is the responsibility of all *Athletes* and other *Persons* to familiarise themselves with the most up-to-date version of the *Prohibited List* and all revisions thereto.

### **4.2.3** *Specified Substances or Specified Methods*

All *Prohibited Substances* shall be *Specified Substances* except as identified on the *Prohibited List*. No *Prohibited Method* shall be a *Specified Method* unless it is specifically identified as a *Specified Method* on the *Prohibited List*.

### **4.2.4** *Substances of Abuse*

For purposes of applying Article 10 of these *Rules*, *Substances of Abuse* shall include those *Prohibited Substances* which are specifically identified as *Substances of Abuse* on the *Prohibited List* because they are frequently abused in society outside of the context of sport.

## **4.3** **WADA's Determination of the *Prohibited List***

WADA's determination of the *Prohibited Substances* and *Prohibited Methods* that will be included on the *Prohibited List*, the classification of substances into categories on the *Prohibited List*, the classification of a substance as prohibited at all times or *In-Competition* only, the classification of a substance or method as a *Specified Substance*, *Specified Method* or *Substance of Abuse* is final and shall not be subject to any challenge by an *Athlete* or other *Person*, including, but not limited to, any challenge based on an argument that the substance or method was not a masking agent or did not have the potential to enhance performance, represent a health risk or violate the spirit of sport.

## **4.4** **Therapeutic Use Exemptions**

**4.4.1** The presence of a *Prohibited Substance* or its *Metabolites* or *Markers*, and/or the *Use* or *Attempted Use*, *Possession* or *Administration* or *Attempted Administration* of a *Prohibited Substance* or *Prohibited Method* shall not be considered an anti-doping rule violation if it is consistent with the provisions of a *TUE* granted in accordance with the *International Standard* for Therapeutic Use Exemptions.

**4.4.2** The *ITA* shall appoint the members of the *TUEC* which shall be composed of specialists in accordance with the *International Standard* for Therapeutic Use Exemptions. Each *TUE* application shall be assessed by three members of the *TUEC*.

**4.4.2.1** The *TUEC* shall promptly evaluate applications for a *TUE* and render a decision as quickly as possible, which decision shall be reported via *ADAMS*.

**4.4.2.2** The *ITA* shall promptly notify the *Athlete*, the *Athlete's NOC*, *WADA*, the relevant *Athlete's National Anti-Doping Organisation* and *International Federation* of the decision of the *TUEC*.

**4.4.2.3** The provisions of the *International Standard* for Therapeutic Use Exemptions shall be complied with during the entire *TUE* application, recognition, decision, review and appeal process and applied automatically. *TUEs* granted by the *TUEC* shall be effective for the *Olympic Games Paris 2024* only.

- 4.4.3** Without prejudice to the review by the *TUEC* under Article 4.4.5 below, where the *Athlete* already has a *TUE* granted by the *Athlete's National Anti-Doping Organisation* or *International Federation* and such *TUE* is available on *ADAMS*, the *Athlete* does not need to apply for the recognition of this *TUE* which shall be automatically recognised.
- 4.4.4** Where the *Athlete* already has a *TUE* granted by the *Athlete's National Anti-Doping Organisation* or *International Federation* and provided that such *TUE* is not available on *ADAMS*, the *Athlete* shall submit such *TUE* to the *TUEC* for recognition at least 30 days before the start of the *Period of the Olympic Games Paris 2024*.
- 4.4.5** The *TUEC* shall be entitled, including prior to the *Period of the Olympic Games Paris 2024*, to review any *TUE* in order to ensure that it meets the criteria set out in the *International Standard* for Therapeutic Use Exemptions and, if necessary, request the provision of further supporting documentation. If the *TUEC* decides to review a *TUE* and determines that it does not meet the aforementioned criteria, and, accordingly, refuses to recognise it, it must notify the *Athlete*, the *Athlete's NOC* and the granting *Athlete's National Anti-Doping Organisation* or *International Federation*, and *WADA* promptly, explaining its reasons. Such decision shall also be reported via *ADAMS*.
- 4.4.6** A decision by the *TUEC* not to grant or not to recognise a *TUE* may be appealed by the *Athlete* exclusively to *WADA*. If the *Athlete* does not appeal (or *WADA* decides to uphold the refusal to grant/recognise the *TUE* and so rejects the appeal), the *Athlete* may not *Use* the *Prohibited Substance* or *Prohibited Method* in question in relation to the *Olympic Games Paris 2024*, but any *TUE* granted by the *Athlete's National Anti-Doping Organisation* or *International Federation* for that substance or method remains valid outside of the *Olympic Games Paris 2024*.
- 4.4.7** Notwithstanding Article 4.4.6, *WADA* may review the *TUEC's* decisions on *TUEs* at any time, whether upon request by those affected or on its own initiative. If the *TUE* decision being reviewed meets the criteria set out in the *International Standard* for Therapeutic Use Exemptions, *WADA* will not interfere with it. If the *TUE* decision does not meet those criteria, *WADA* will reverse it. A decision by *WADA* to reverse a *TUE* decision may be appealed by the *Athlete*, the *Athlete's National Anti-Doping Organization* and/or the *International Federation* affected, exclusively to *CAS* in accordance with Article 12 of these *Rules*.
- 4.4.8** All *TUEs* must be managed, requested and declared through *ADAMS*. All applications, decisions and supporting documentation regarding *TUEs* must be applied for, managed and notified as soon as possible through *ADAMS*.

## ARTICLE 5 – TESTING AND INVESTIGATIONS

### 5.1 Purpose of *Testing* and Investigations

**5.1.1** *Testing* and investigations may be undertaken for any anti-doping purposes. They shall be conducted in conformity with the provisions of the *International Standard* for Testing and Investigations and any specific protocols of the *IOC* and/or the *ITA* (within the scope of its delegation) supplementing that *International Standard*, provided that such protocols are compliant with the *Code* and *International Standard* for Testing and Investigations.

**5.1.2** *Testing* shall be undertaken to obtain analytical evidence as to whether the *Athlete* has violated Article 2.1 (Presence of a *Prohibited Substance* or its *Metabolites* or *Markers* in an *Athlete's Sample*) or Article 2.2 (*Use or Attempted Use* by an *Athlete* of a *Prohibited Substance* or a *Prohibited Method*) of these *Rules*.

### 5.2 Authority to Test

**5.2.1** In accordance with Article 5.2.3 of the *Code*, the *IOC* shall have *In-Competition* and *Out-of-Competition Testing* authority over all *Athletes* in connection with the *Olympic Games Paris 2024*.

**5.2.2** Accordingly, the *ITA* may conduct *In-Competition* and *Out-of-Competition Testing* on the *IOC's* behalf, on any *Athlete* entered to or who may be entered to participate in the *Olympic Games Paris 2024*. The *ITA* may notably conduct *Out-of-Competition Testing* on these *Athletes* starting from the *Period of the Pre-Olympic Games Paris 2024*.

**5.2.3** The *ITA* may require any *Athlete* over whom the *IOC* has *Testing* authority to provide a *Sample* at any time and at any place.

**5.2.4** Subject to Article 5.3 of the *Code*, the *ITA* shall have exclusive authority to conduct *Testing* at the *Event Venues* during the *Period of the Olympic Games Paris 2024*. In accordance with Article 5.3.1 of the *Code*, not only the *ITA*, but also *Anti-Doping Organisations* with *Testing* authority over *Athletes* participating at the *Olympic Games Paris 2024* may test such *Athletes* during the *Period of the Olympic Games Paris 2024* outside of the *Event Venues*. Such *Testing* shall be communicated to and coordinated with the *ITA*.

**5.2.5** If an *Anti-Doping Organisation*, which would otherwise have *Testing* authority but is not responsible for initiating and directing *Testing* at the *Olympic Games Paris 2024*, desires to conduct *Testing* of *Athletes* at the *Event Venues* during the *Period of the Olympic Games Paris 2024*, the *Anti-Doping Organisation* shall first confer with the *ITA* to obtain permission to conduct and coordinate such *Testing*.

**5.2.6** Notwithstanding the above, *WADA* shall have *In-Competition* and *Out-of-Competition Testing* authority as set out in Article 20.7.10 of the *Code*.

### **5.3 Delegation of responsibility, overseeing and monitoring of *Doping Control***

**5.3.1** Subject to the *International Standard* for Code Compliance by Signatories and Article 5.3.2 of these *Rules*, the *IOC* has delegated some of its obligations and responsibilities pursuant to these *Rules*, including the implementation of all or part of the *Doping Control* in relation to the *Olympic Games Paris 2024*, including without limitation, test distribution planning, *TUEs* and *Results Management*, to the *ITA*. The references in these *Rules* to the *ITA* shall, where applicable, be construed and interpreted as references to the *ITA* acting on behalf of the *IOC* within the scope of the above-mentioned delegation.

The *ITA* may in turn sub-delegate the responsibility for implementing all or part of the *Doping Control* in relation to the *Olympic Games Paris 2024* to the organising committee for the *Olympic Games Paris 2024 (Paris 2024)* or any *Anti-Doping Organisation* or other *Delegated Third Parties* it deems to be appropriate (such as a *Sample* collection agency). In such event, *Paris 2024* and such *Anti-Doping Organisations* or *Delegated Third Parties* shall act in accordance with these *Rules* and any further requirements and instructions provided by the *ITA*.

The delegation of obligations or responsibilities to the *ITA* shall continue in effect until revocation or withdrawal of such delegation by the *IOC* at any time and at its own discretion. In the event of revocation or withdrawal, any references to the *ITA* in the *Rules* shall be deemed to be references to the *IOC*.

**5.3.2** Notwithstanding the aforementioned delegation to the *ITA* or other *Delegated Third Parties* and, to the extent applicable, any sub-delegation by the *ITA* as indicated in these *Rules*, the *IOC* remains ultimately responsible for *Doping Control* and for the *Code* compliance of any *Doping Control* conducted by the *ITA* and/or any *Anti-Doping Organisation* or other *Delegated Third Parties* acting under its authority at the *Olympic Games Paris 2024*.

**5.3.3** *Doping Control* may be monitored by qualified *Persons* so authorised by the *ITA* and/or the *IOC*.

### **5.4 Test Distribution Planning**

The *ITA* shall develop, conduct, update and implement an effective test distribution plan for the *Olympic Games Paris 2024* complying with the requirements of the *International Standard* for Testing and Investigations. The *ITA* shall be responsible for overseeing the implementation of such test distribution plan and any subsequent changes thereto. The *ITA* shall provide the *IOC* and *WADA*, promptly upon request, with a copy of such test distribution plan, including any subsequent changes thereto.

### **5.5 Coordination of Doping Control**

In order to deliver an effective anti-doping programme for the *Olympic Games Paris 2024* and to avoid unnecessary duplication in *Doping Control*, the *ITA*, in collaboration with the *IOC*, *Paris 2024*, *WADA*, the *International Federations*, other *Anti-Doping Organisations* and the *NOCs* shall ensure that there is coordination of *Doping Control* during both the *Period of the Pre-Olympic Games Paris 2024* and the *Period of the Olympic Games Paris*

2024.

The *ITA* shall also report information about all completed tests, including results, to the members of the *Independent Observers Programme*.

Where reasonably feasible, *Testing* shall be coordinated through *ADAMS* in order to maximise the effectiveness of the combined *Testing* effort and to avoid unnecessary repetitive *Testing*. All relevant information regarding *Doping Control* and *Sample Collection* should be promptly entered into *ADAMS*.

## **5.6 Athlete Whereabouts Information**

**5.6.1** Where an *Athlete* is in a *Registered Testing Pool* or other types of *Testing* pools, the *ITA*, in collaboration with *Paris 2024*, may access the *Athlete's* Whereabouts Filings (as defined in the *International Standard* for Testing and Investigations) for the period for which the *Athlete* is subject to the *IOC's Testing* authority in accordance with Article 5.2 of these *Rules*. Such *Athletes* shall be subject to *Consequences* for violations of Article 2.4 of these *Rules* as provided in Article 10.3.2 of the *Code*. The *IOC* and the *ITA* will access the *Athlete's* Whereabouts Filings primarily via *ADAMS* and/or the *International Federations* or *National Anti-Doping Organisation* that is receiving the *Athlete's* Whereabouts Filings.

**5.6.2** In addition, each *NOC* shall provide the *ITA* with further details with respect to the location and arrival/departure dates of all *Athletes* belonging to their delegation (including *Athletes* not forming part of a *Registered Testing Pool* or other types of *Testing* pools) during the *Period of the Olympic Games Paris 2024*; such information shall include, without limitation, the name of the building and room number at which an *Athlete* is staying at the Olympic Village, detailed accommodation information for *Athletes* not staying in the Olympic Village, and *Athlete's* training schedules and venues. Such information shall be provided to the *ITA* as soon as the *NOC* becomes aware of *Athlete's* whereabouts information. For the avoidance of doubt, the *ITA* may use this information for the purposes of investigations and *Doping Controls* in connection with the *Olympic Games Paris 2024*. The *NOCs* shall also monitor and manage the whereabouts information and provide any further reasonable assistance requested by the *ITA* in order to locate *Athletes* belonging to their delegations during the *Period of the Olympic Games Paris 2024*. Without prejudice to any other *Consequences*, which, depending on the circumstances, might be applicable if such failure constitutes an anti-doping rule violation pursuant to these *Rules*, failure to provide the above-mentioned assistance may give rise to measures or sanctions in application of Rule 59.1 and/or Rule 59.2 of the Olympic Charter.

**5.6.3** Upon request by the *ITA*, *Athletes* and the *NOC* shall directly provide to the *ITA* (or make available to the *ITA*) information regarding *Athletes'* location during the *Period of the Olympic Games Paris 2024* (information as mentioned above under Article 5.6.2), in the manner requested by the *ITA*. *Athletes* shall respect any time-limit imposed by the *ITA* for the provision of such information. Without prejudice to any other *Consequences*, which, depending on the circumstances, might be applicable if such failure constitutes an anti-doping rule violation pursuant to these *Rules*, failure to provide the above-mentioned information may give rise to measures or sanctions in application of Rule 59.2 of the Olympic Charter.

## **5.7 Investigations and Intelligence Gathering**

The *ITA* and the *IOC* shall have the capability to conduct, and shall conduct, investigations and gather intelligence as required by the *International Standard for Testing and Investigations* and the *International Standard for Results Management*.

## **5.8 Independent Observer Programme**

The *IOC* shall authorise and, in collaboration with the *ITA* and *Paris 2024*, facilitate the *Independent Observer Programme* at the *Olympic Games Paris 2024*.

## **ARTICLE 6 – ANALYSIS OF SAMPLES**

*Samples* shall be analysed in accordance with the following principles:

### **6.1 Use of Accredited Laboratories, Approved Laboratories and Other Laboratories**

In accordance with the *Code* and for purposes of directly establishing an *Adverse Analytical Finding* under Article 2.1 of these *Rules*, *Samples* shall be analysed only in laboratories (or satellite facilities) accredited or otherwise approved by *WADA*.

As provided in Article 3.2 of these *Rules*, anti-doping rule violations may be established by any reliable means. This would include, for example, reliable laboratory or other forensic testing conducted outside of *WADA*-accredited or approved laboratories.

### **6.2 Purpose of Analysis of Samples and Data**

*Samples* and related analytical data or *Doping Control* information shall be analysed to detect *Prohibited Substances* and *Prohibited Methods* and other substances as may be directed by *WADA* pursuant to the Monitoring Programme described in Article 4.5 of the *Code*; or to assist in profiling relevant parameters in an *Athlete's* urine, blood or other matrix, including for DNA or genomic profiling; or for any other legitimate anti-doping purpose.

### **6.3 Research on *Samples* and Data**

*Samples*, related analytical data and *Doping Control* information may be used for anti-doping research purposes, although no *Sample* may be used for research without the *Athlete's* written consent. *Samples* and related analytical data or *Doping Control* information used for research purposes shall first be processed in such a manner as to prevent *Samples* and related analytical data or *Doping Control* information being traced back to a particular *Athlete*. Any research involving *Samples* and related analytical data or *Doping Control* information shall adhere to the principles set out in Article 19 of the *Code*.

### **6.4 Standards for *Sample* Analysis and Reporting**

**6.4.1** Laboratories shall analyse *Samples* and report results in conformity with the *International Standard* for Laboratories.

**6.4.2** Laboratories at their own initiative and expense may analyse *Samples* for *Prohibited Substances* or *Prohibited Methods* not included on the standard *Sample* analysis menu, or as requested by the *ITA*. Results from any such analysis shall be reported to the *ITA* and have the same validity and *Consequences* as any other analytical result.

### **6.5 Further Analysis of a *Sample* Prior to or During *Results Management***

There shall be no limitation on the authority of a laboratory to conduct repeat or additional analysis on a *Sample* prior to the time the *ITA* notifies an *Athlete* that the *Sample* is the basis for an Article 2.1 anti-doping rule violation charge. If after such notification the *ITA* wishes to conduct additional analysis on that *Sample*, it may do so with the consent of the *Athlete* or approval from a hearing body.

### **6.6 Further Analysis of a *Sample* After it has been Reported as Negative or has Otherwise not Resulted in an Anti-Doping Rule Violation Charge**

After a laboratory has reported a *Sample* as negative, or the *Sample* has not otherwise resulted in an anti-doping rule violation charge, it may be stored and may be subject to further analyses at any time for the purpose of Article 6.2 of these *Rules* by the *IOC*, the *ITA* or *WADA*. Any other *Anti-Doping Organisation* with authority to test the *Athlete* that wishes to conduct further analysis on a stored *Sample* may do so with the permission of the *IOC* or *WADA*, and shall be responsible for any follow-up *Results Management*. Such further analysis of *Samples* shall conform with the requirements of the *International Standard* for Laboratories applicable at the time of the further analysis.

### **6.7 Split of A or B *Sample***

Where the *IOC*, the *ITA*, *WADA* and/or a *WADA*-accredited laboratory (with approval from the *IOC*, the *ITA* or *WADA*) wishes to split an A or B *Sample* for the purpose of using the first part of the split *Sample* for an A *Sample* analysis and the second part of the split *Sample* for confirmation, then the procedures set forth in the *International Standard* for Laboratories shall be followed.

## **6.8 WADA's Right to Take Possession of Samples and Data**

WADA may, in its sole discretion at any time, with or without prior notice, take physical possession of any Sample and related analytical data or information in the possession of a laboratory or the ITA. Upon request by WADA, the laboratory or the ITA in possession of the Sample or data shall immediately grant access to and enable WADA to take physical possession of the Sample or data. If WADA has not provided prior notice to the laboratory or the ITA before taking possession of a Sample or data, it shall provide such notice to the laboratory and to the ITA whose Samples or data have been taken by WADA within a reasonable time after taking possession. After analysis and any investigation of a seized Sample or data, WADA may direct another *Anti-Doping Organisation* with authority to test the *Athlete* to assume *Results Management* responsibility for the Sample or data if a potential anti-doping rule violation is discovered.

## **ARTICLE 7 – RESULTS MANAGEMENT, RESPONSIBILITY, INITIAL REVIEW, NOTICE AND PROVISIONAL SUSPENSIONS**

*Results Management* under the Code and these Rules (as set forth in Articles 7, 8 and 12) establishes a process designed to resolve anti-doping rule violations matters in a fair, expeditious and efficient manner.

### **7.1 Responsibility for Conducting Results Management**

**7.1.1** For *Results Management* relating to a Sample collected by the ITA on behalf of the IOC in accordance with Article 5 of these Rules or an anti-doping rule violation occurring during the *Olympic Games Paris 2024*, the IOC shall assume *Results Management* responsibility to determine whether an anti-doping rule violation was committed and, if so, all *Consequences* flowing from the anti-doping rule violation(s), including the applicable *Disqualifications* and other *Consequences* under Articles 9, 10.1, 10.2 and 11 of these Rules, the forfeiture of any medals, diplomas, points and prizes from the *Olympic Games Paris 2024*, and any recovery of costs applicable to the anti-doping rule violation. However, as part of its delegated responsibilities, the ITA shall be responsible to represent the IOC and act on its behalf and name in the conduct of the *Results Management* process for anti-doping rule violations arising under these Rules. Without limitation, the ITA shall notably conduct the reviews provided for in this Article 7.

**7.1.2** Responsibility for the completion of *Results Management* and the conduct of hearings for anti-doping rule violations arising under these Rules in relation to *Consequences* that extend beyond the *Olympic Games Paris 2024* shall be referred to the *Athlete* or other *Person's International Federation*.

### **7.2 Review of Adverse Analytical Findings**

*Results Management* in respect of the results of tests initiated and conducted by the ITA pursuant to these Rules (including any tests performed by WADA in accordance with Article 5.2.6 of these Rules) shall proceed as follows:

**7.2.1** The results from all analyses will be reported into *ADAMS* whether during or outside the *Period of the Pre-Olympic Games Paris 2024* and the *Period of the Olympic Games Paris 2024*.

All communications and reports must be provided in a manner preserving confidentiality and data privacy, in conformity with the *International Standard for Laboratories*, the *International Standard for the Protection of Privacy and Personal Information*, the applicable data protection and privacy laws and reported into *ADAMS* as applicable.

## **7.2.2 Initial Review**

**7.2.2.1** Upon receipt of an *Adverse Analytical Finding*, the *ITA* shall conduct a review to determine whether:

- (a) an applicable *TUE* has been granted or will be granted as provided in the *International Standard for Therapeutic Use Exemptions* (as set out in Article 7.2.2.3 below);
- (b) there is any apparent departure from the *International Standard for Testing and Investigations* or *International Standard for Laboratories* that caused the *Adverse Analytical Finding* (as set out in Article 7.2.2.4 below); and/or
- (c) it is apparent that the *Adverse Analytical Finding* was caused by an ingestion of the relevant *Prohibited Substance* through a permitted route (as set out in Article 7.2.2.5 below).

**7.2.2.2** The *ITA* may, without limitation, request additional information, documents and explanations related to the review of an *Adverse Analytical Finding*, including regarding the route of administration and posology, from the *Athlete* or any other *Person*. The *ITA* may also liaise with third parties in order to assess the validity of the information, documents and/or explanations.

**7.2.2.3** The *ITA* shall consult the *Athlete's* records in *ADAMS* and with other *Anti-Doping Organisations* that might have approved a *TUE* for the *Athlete* to determine whether a *TUE* exists. If the initial review reveals that the *Athlete* has an applicable *TUE*, then the *ITA* shall conduct such follow up review as necessary to determine if the specific requirements of the *TUE* have been complied with.

**7.2.2.4** The *ITA* must review the *Adverse Analytical Finding* to determine if there has been any departure from the *International Standard for Testing and Investigations* and/or the *International Standard for Laboratories*. This may include a review of the *Laboratory Documentation Package* produced by the laboratory to support the *Adverse Analytical Finding* (if available at the time of the review) and relevant *Doping Control* form(s) and *Testing* documents.

**7.2.2.5** If the *Adverse Analytical Finding* involves a *Prohibited Substance* permitted through (a) specific route(s) as per the *Prohibited List*, the *ITA* shall consult any relevant available documentation (e.g. *Doping Control* form or records of the Olympic Village Polyclinic or other official medical stations) to determine whether the *Prohibited Substance* appears to have been administered through a permitted route and, if so, shall consult an expert to determine whether the *Adverse Analytical Finding* is compatible with the apparent route of ingestion.

### **7.2.3 Notification**

**7.2.3.1** If the review of an *Adverse Analytical Finding* under Article 7.2.2 of these *Rules* does not reveal an applicable *TUE* or entitlement to a *TUE* as provided in the *International Standard* for Therapeutic Use Exemptions, an apparent departure from the *International Standard* for Testing and Investigations or the *International Standard* for Laboratories that caused the *Adverse Analytical Finding* or that it is apparent that the *Adverse Analytical Finding* was caused by an ingestion of the relevant *Prohibited Substance* through a permitted route, the *ITA* shall promptly notify:

- (a) the *Athlete*;
- (b) the *Athlete's NOC*;
- (c) the *Athlete's International Federation* (who will be entitled to send a representative(s) to attend the hearing);
- (d) the relevant *National Anti-Doping Organisation of the Athlete*;
- (e) the *IOC*; and
- (f) *WADA* (which will be entitled to send a representative to attend the hearing) and, during the *Period of the Olympic Games Paris 2024*, a representative of the *Independent Observer Programme*

of the existence of the *Adverse Analytical Finding*, and the essential details available concerning the case as further set out in Article 7.2.3.2 below, and promptly report it into *ADAMS*.

**7.2.3.2** The notifications specified above under Article 7.2.3.1 (a) to (f) shall be done in the manner set out in Articles 13.1 and 14, and shall include:

- (a) the *Adverse Analytical Finding*;
- (b) the fact that the *Adverse Analytical Finding* may result in an anti-doping rule violation of the Article 2.1 and/or Article 2.2. of these *Rules* and the applicable *Consequences*;
- (c) the *Athlete's* right to request the analysis of the *B Sample* or, failing such request, that the *B Sample* analysis may be deemed irrevocably waived;
- (d) the scheduled date, time and place for the *B Sample* analysis if the *Athlete* or the *ITA* chooses to request an analysis of the *B Sample*. It shall be indicated either in the notification described in this Article 7.2.3.2 or in a subsequent letter promptly after the *Athlete* or the *ITA* has requested the *B Sample* analysis;

- (e) the opportunity for the *Athlete* and/or the *Athlete's* representative to attend the *B Sample* opening and analysis in accordance with the *International Standard* for Laboratories if such analysis is requested;
- (f) the *Athlete's* right to request copies of the *A and B Sample Laboratory Documentation Package* which includes information as required by the *International Standard* for Laboratories;
- (g) the opportunity for the *Athlete* to provide an explanation within a reasonable deadline taking into consideration the circumstances;
- (h) the opportunity for the *Athlete* to provide *Substantial Assistance* as set out under Article 10.7.1 of the *Code*, to admit the anti-doping rule violation and potentially benefit from the regime set out in Articles 10.8.1 or to seek to enter into a case resolution agreement under Article of 10.8.2 of the *Code* (if applicable) which may be granted at the occasion of the completion of *Results Management* proceedings conducted by the applicable *International Federation* in accordance with Article 7.1.2 of these *Rules*; and
- (i) to the extent applicable, the fact that mandatory or optional *Provisional Suspension* is imposed or sought (including the possibility for the *Athlete* to accept a voluntary *Provisional Suspension* as per Article 7.7 of these *Rules*) and that an opportunity for a *Provisional Hearing* or an expedited final hearing when a *Provisional Suspension* has been imposed or is sought either under Articles 7.6.1 or 7.6.2.

**7.2.3.3** In the event that the *Adverse Analytical Finding* relates to *Prohibited Substances* described in the *International Standard* for Results Management (such as salbutamol, formoterol or other *Prohibited Substance* subject to specific *Results Management* requirements in a *Technical Document* or other document issued by *WADA*), the *ITA* shall act in accordance with the requirements set forth in the *International Standard* for Results Management.

**7.2.3.4** Where requested by the *Athlete* or the *ITA*, arrangements may be made to analyse the *B Sample* in accordance with the *International Standard* for Laboratories and the *International Standard* for Results Management. The timing of the *B Sample* analysis may be strictly fixed in the short term with no postponement possible, when circumstances justify it in accordance with the *International Standard* for Laboratories. An *Athlete* may accept the *A Sample* analytical results by waiving the requirement for *B Sample* analysis. The *ITA* may nonetheless elect to proceed with the *B Sample* analysis.

**7.2.3.5** The *Athlete* and/or *Athlete's* representative shall be allowed to be present at the opening and analysis of the *B Sample*. Also, a representative of the *ITA* shall be allowed to be present. If the *Athlete* and the *Athlete's* representative claim not to be available on the scheduled date, time and place, or on two alternative occasions (which during the *Olympic Games Paris 2024* may be limited to two alternative times within the same date), the *ITA* may instruct the laboratory to proceed regardless and appoint an *Independent Witness* to verify that the *B Sample* container shows no signs of *Tampering* and that the identifying numbers match that on the collection documentation. An *Independent Witness* may be appointed even if the *Athlete* has indicated that the *Athlete* and/or the *Athlete's* representative be present.

**7.2.3.6** If the results of the *B Sample* analysis confirms the results of the *A Sample* analysis, the results shall be promptly notified to the *Athlete*, the *Athlete's* *NOC*, the *Athlete's International Federation*, the relevant *National Anti-Doping Organisation* of the *Athlete*, the *IOC* and to *WADA*, and a short deadline taking into consideration the circumstances shall be granted to the *Athlete* to provide or supplement the *Athlete's* explanations. The *Athlete* shall be afforded the possibility to admit the anti-doping rule violation and potentially benefit from the regime set out in Articles 10.8.1 of the *Code* which may be granted at the occasion of the completion of *Results Management* proceedings conducted by the applicable *International Federation* in accordance with Article 7.1.2 of these *Rules*, if applicable, and/or voluntarily accept a *Provisional Suspension* as per Article 7.7 of these *Rules*.

**7.2.3.7** The notification under Article 7.2.3.1 of these *Rules* to the *Athlete* shall constitute the commencement of the proceeding in respect of the anti-doping rule violation for the purposes of Article 17 of these *Rules*.

**7.2.3.8** In parallel or upon conclusion of the notification process hereinabove, an application pursuant to Article 8.1.1 of these *Rules* shall be filed by the *ITA* with the *CAS Anti-Doping Division*, as per Article 8 of these *Rules* and the *CAS Anti-Doping Division Arbitration Rules*, where necessary.

### **7.3 Review of Atypical Findings**

**7.3.1** Upon receipt of an *Atypical Finding*, the *ITA* shall conduct a review to determine whether:

- (a) an applicable *TUE* has been granted or will be granted as provided in the *International Standard* for Therapeutic Use Exemptions (as set out in Article 7.2.2.3 above by analogy);
- (b) there is any apparent departure from the *International Standard* for Testing and Investigations or *International Standard* for Laboratories that caused the *Atypical Finding* (as set out in Article 7.2.2.4 above by analogy); and/or
- (c) it is apparent that the *Atypical Finding* was caused by an ingestion of the relevant *Prohibited Substance* through a permitted route (as set out in Article 7.2.2.5 above by analogy).

**7.3.2** If the review set out in Article 7.3.1 of these *Rules* does not reveal an applicable *TUE*, an apparent departure from the *International Standard* for Testing and Investigations or the *International Standard* for Laboratories that caused the *Atypical Finding*, or that it is apparent that the *Atypical Finding* was caused by an ingestion of the relevant *Prohibited Substance* through a permitted route, the *ITA* shall conduct the required investigation or cause it to be conducted.

**7.3.3** The *ITA* will not provide notification of an *Atypical Finding* until it has completed its investigation and has decided that it will bring the *Atypical Finding* forward as an *Adverse Analytical Finding* unless one of the following circumstances exists:

- (a) if the *ITA* determines that the *B Sample* should be analysed prior to the conclusion of its investigation. In this case, the *ITA* may conduct the *B Sample* analysis after notifying the *Athlete*, with such notification to include a description of the *Atypical Finding* and the information described in Article 7.2.3.2 (c) - (f); or
- (b) if the *ITA* receives a request, either from a *Major Event Organisation* shortly before one of its *International Events* or from a sport organisation responsible for meeting an imminent deadline for selecting team members for an *International Event*, to disclose whether any *Athlete* identified on a list provided by the *Major Event Organisation* or sport organisation has a pending *Atypical Finding*, the *ITA* shall identify any *Athlete* after first providing notice of the *Atypical Finding* to the *Athlete*; or
- (c) if the *Atypical Finding* is, in the opinion of qualified medical or expert personnel, likely to be connected to a serious pathology that requires urgent medical attention; or
- (d) if further information from the *Athlete* is required to assess the *Atypical Finding* pursuant to *WADA* guidelines and *Technical Documents*, such as the *WADA* Stakeholder Notice regarding potential diuretic contamination cases and meat contamination.

**7.3.4** If after the investigation is completed the *ITA* decides to pursue the *Atypical Finding* as an *Adverse Analytical Finding*, then the procedure shall follow the provisions of Article 7.2 of these *Rules* mutatis mutandis.

## **7.4 Matters not Involving an Adverse Analytical Finding or Atypical Finding**

### **7.4.1 Specific cases**

The pre-adjudication phase of *Results Management* of a possible failure to comply, potential whereabouts failures and *Adverse Passport Findings*, shall take place as provided in and in accordance with the *International Standard* for Results Management. For the sake of clarity, apparent whereabouts failures as per Article B.3.2.a) of the *International Standard* for Results Management, that is apparent whereabouts failures uncovered by an attempt to test, will be referred by the *ITA* for the *Results Management* by the competent *Athlete's Results Management* authority with which the respective *Athlete* files his/her whereabouts information. Moreover, as the *IOC* is not a *Passport Custodian* (as defined in the *International Standard* for Results Management), all *Adverse Passport*

*Findings* shall be reported to the competent *Athlete's Results Management* authority.

**7.4.2 Notification for specific cases under Article 7.4.1 of these Rules and other anti-doping rules violations not involving an Adverse Analytical Finding or Atypical Finding**

**7.4.2.1** At such time as the *ITA* considers that the *Athlete* or other *Person* may have committed (an) anti-doping rule violation(s) for which the *IOC* is the *Results Management* authority pursuant to the *Code*, the *International Standard for Results Management* and these *Rules*, the *ITA* shall promptly notify:

- (a) the *Athlete* or other *Person*;
- (b) the *Athlete's* or other *Person's* *NOC*;
- (c) the *Athlete's* or other *Person's* *International Federation* (who will be entitled to send a representative(s) to attend the hearing);
- (d) the relevant *National Anti-Doping Organisation* of the *Athlete* or other *Person*;
- (e) the *IOC*; and
- (f) *WADA* (which will be entitled to send a representative to attend the hearing) and, during the *Period of the Olympic Games Paris 2024*, a representative of the *Independent Observer Programme*

of the alleged anti-doping rule violation(s) and the essential details available concerning the case as further set out in Article 7.4.2.2 below, and promptly report it into *ADAMS*.

**7.4.2.2** The notifications specified above under Article 7.4.2.1 (a) to (f) shall be done in the manner set out in Articles 13.1 and 14, and shall include:

- (a) the relevant anti-doping rule violation(s) and the applicable *Consequences*;
- (b) the relevant factual circumstances upon which the allegations are based;
- (c) the relevant evidence in support of those facts that the *ITA* considers demonstrate that the *Athlete* or other *Person* may have committed (an) anti-doping rule violation(s);
- (d) the right for the *Athlete* or other *Person* to provide an explanation within a reasonable deadline taking into consideration the circumstances;
- (e) the opportunity for the *Athlete* or other *Person* to provide *Substantial Assistance* as set out under Article 10.7.1 of the *Code*, to admit the anti-doping rule violation and potentially benefit from the regime set out in Articles 10.8.1 or to seek to enter into a case resolution agreement under Article of 10.8.2 of the *Code* (if applicable) which may be granted at the occasion of the completion of *Results Management* proceedings conducted by the applicable *International Federation* in accordance with Article 7.1.2 of these *Rules*; and

- (f) to the extent applicable, the fact that mandatory or optional *Provisional Suspension* is imposed or sought (including the possibility for the *Athlete* or other *Person* to accept a voluntary *Provisional Suspension* as per Article 7.7 of these *Rules*) and that an opportunity for a *Provisional Hearing* or an expedited final hearing when a *Provisional Suspension* has been imposed or is sought either under Articles 7.6.1 or 7.6.2.

**7.4.2.3** The *ITA* may, without limitation, request additional information, documents and explanations related to the review of a potential anti-doping rule violation, from the *Athlete* or any other *Person*. The *ITA* may also liaise with third parties in order to assess the validity of the information, documents and/or explanations.

**7.4.2.4** The notification of the *Athlete* or other *Person* pursuant to Article 7.4.2.1 of these *Rules* shall constitute the commencement of the proceeding in respect of the anti-doping rule violation for the purposes of Article 17 of these *Rules*.

**7.4.2.5** In parallel or upon conclusion of the notification process hereinabove, an application pursuant to Article 8.1.1 of these *Rules* shall be filed by the *ITA* with the *CAS Anti-Doping Division*, in accordance with Article 8 of these *Rules* and the *CAS Anti-Doping Division Arbitration Rules*.

## **7.5 Decision Not to Move Forward**

If at any point during the *Results Management* up until the application to the *CAS Anti-Doping Division* pursuant to Article 8.1.1 of these *Rules*, the *ITA* decides not to move forward with a matter, the *Athlete* or other *Person* (provided that the *Athlete* or other *Person* had been already informed of the ongoing *Results Management*), the *Athlete's* or other *Person's* *NOC*, the *Athlete's* or other *Person's* *International Federation*, the relevant *National Anti-Doping Organisation* of the *Athlete* or other *Person*, the *IOC* and *WADA* shall be so notified.

## **7.6 Provisional Suspensions**

### **7.6.1 Mandatory *Provisional Suspension* after an *Adverse Analytical Finding* or *Adverse Passport Finding***

If analysis of an *A Sample* has resulted in an *Adverse Analytical Finding* or *Adverse Passport Finding* (upon completion of the *Adverse Passport Finding* review process) for a *Prohibited Substance* or a *Prohibited Method*, other than a *Specified Substance* or *Specified Method*, and a review in accordance with Article 7.2.2 of these *Rules* does not reveal an applicable *TUE* or an apparent departure from the *International Standard* for Testing and Investigations or the *International Standard* for Laboratories that caused the *Adverse Analytical Finding* or that it is apparent that the *Adverse Analytical Finding* was caused by an ingestion of the relevant *Prohibited Substance* through a permitted route, a *Provisional Suspension* shall be imposed by the *ITA* and/or *CAS Anti-Doping Division* promptly upon or after the review and notification described in Article 7.2.3 of these *Rules*, provided that the *Athlete* or other *Person* is given the opportunity to be heard as specified in Article 7.6.3. In accordance with Article 7.1.2 of these *Rules*, the scope of the *Provisional Suspension* shall be limited to the *Olympic Games Paris 2024*.

### **7.6.2 Optional Provisional Suspension Based on an Adverse Analytical Finding for Specified Substances, Specified Methods, Contaminated Products or Other Anti-Doping Rule Violations**

In case of any other anti-doping rule violations not covered by Article 7.6.1, a *Provisional Suspension* on the *Athlete* or other *Person* against whom the anti-doping rule violation is asserted may be imposed by the *ITA* and/or *CAS Anti-Doping Division* upon or promptly after the notification described in Article 7.2.3 or Article 7.4.2 and the *Athlete* or other *Person* being given the opportunity to be heard as specified in Article 7.6.3. In accordance with Article 7.1.2, the scope of the *Provisional Suspension* shall be limited to the *Olympic Games Paris 2024*.

### **7.6.3 Opportunity for Hearing or Appeal**

The *Athlete* or other *Person* against whom a *Provisional Suspension* has been imposed or is sought either under Articles 7.6.1 or 7.6.2 shall be given an opportunity for a *Provisional Hearing* or an expedited final hearing before the *CAS Anti-Doping Division* on a timely basis, which may be held by tele-conference, video-conference or written submissions, before or after the imposition (in that case to reconsider a decision issued without a hearing) of the *Provisional Suspension*. The *Athlete* or other *Person* may expressly or impliedly (e.g. by failing to respond within the set deadline) waive the right to ask for a *Provisional Hearing* or expedited final hearing before the *CAS Anti-Doping Division*. The imposition of a *Provisional Suspension*, or the decision not to impose a *Provisional Suspension*, may also be appealed in an expedited procedure in accordance with Article 12 of these *Rules*.

**7.6.4** The mandatory *Provisional Suspension* may be lifted if the *Athlete* demonstrates to the *CAS Anti-Doping Division* that the anti-doping rule violation is likely to have involved a *Contaminated Product*, or the violation involves a *Substance of Abuse* and the *Athlete* established entitlement to a reduced period of *Ineligibility* under Article 10.2.4.1 of the *Code*. A hearing panel's decision not to lift a mandatory *Provisional Suspension* on account of the *Athlete's* assertion regarding a *Contaminated Product* shall not be appealable.

**7.6.5** The optional *Provisional Suspension* may also be lifted if the *Athlete* or other *Person* demonstrates to the *ITA* or *CAS Anti-Doping Division* that (a) the alleged anti-doping rule violation has no reasonable prospect of being upheld, or (b) it is likely that he or she bears *No Fault* or *Negligence* for the alleged anti-doping rule violation.

**7.6.6** If a *Provisional Suspension* is imposed based on an *A Sample Adverse Analytical Finding* and subsequent analysis of the *B Sample* does not confirm the *A Sample* analysis, then the *Provisional Suspension* shall automatically be lifted on account of a violation of Article 2.1 of these *Rules*. In circumstances where the *Athlete* (or the *Athlete's* team) has been removed from an *Event* based on a violation of Article 2.1 of these *Rules* and the subsequent *B Sample* analysis does not confirm the *A Sample* finding, then if it is still possible for the *Athlete* or team to be reinserted without otherwise affecting the *Event*, the *Athlete* or team may continue to take part in the *Event*. In addition, the *Athlete* or team may thereafter take part in other *Competitions* and *Events* at the *Olympic Games Paris 2024*.

## **7.7 Voluntary acceptance of *Provisional Suspension***

**7.7.1** *Athletes* on their own initiative may voluntarily accept a *Provisional Suspension* if done so prior to the later of: (i) the expiration of 10 days from the report of *B Sample* (or waiver of the *B Sample*) or 10 days from the notice of any other anti-doping rule violation, or (ii) the date on which the *Athlete* first competes after such report or notice. Other *Persons* on their own initiative may voluntarily accept a *Provisional Suspension* if done so within 10 days from the notice of the anti-doping rule violation.

**7.7.2** Upon such voluntary acceptance, the *Provisional Suspension* shall have the full effect and be treated in the same manner as if the *Provisional Suspension* had been imposed under Article 7.6.1 or 7.6.2; provided, however, at any time after voluntarily accepting a *Provisional Suspension*, the *Athlete* or other *Person* may withdraw such acceptance, in which event the *Athlete* or other *Person* shall not receive any credit for time previously served during the *Provisional Suspension*.

## **7.8 Resolution upon Waiver of Hearing or other Circumstances**

**7.8.1** An *Athlete* or other *Person* against whom an anti-doping rule violation is asserted may expressly waive a hearing and accept the *Consequences* that have been offered by the *ITA* under these *Rules*.

**7.8.2** Alternatively, if the *Athlete* or other *Person* against whom an anti-doping rule violation is asserted fails to dispute that assertion within the deadline specified in the notice sent by the *ITA*, then such *Athlete* or other *Person* shall be deemed to have admitted the violation, to have waived a hearing, and to have accepted the proposed *Consequences*.

**7.8.3** In cases where Article 7.8.1 or Article 7.8.2 applies, the *ITA* shall issue a reasoned decision confirming the commission of the anti-doping rule violation and imposing the relevant *Consequences*. The *ITA* shall send copies of that decision to *Anti-Doping Organisations* with a right to appeal under Article 12.2.2, and that decision shall be promptly reported by the *ITA* into *ADAMS* and *Publicly Disclosed* in accordance with Article 13.3.2.

## **7.9 Results Management Decisions**

*Results Management* decisions or adjudications will address and determine without limitation (i) whether an anti-doping rule violation was committed or a *Provisional Suspension* should be imposed or maintained, the factual basis for such determination, and the specific articles of these *Rules* violated, and (ii) all *Consequences* flowing from the anti-doping rule

violation(s), including applicable *Disqualifications* and other *Consequences* under Articles 9, 10.1, 10.2 and 11 of these *Rules*, any forfeiture of medals, diplomas, points and prizes, and any recovery of costs (if applicable). In accordance with Article 7.1.2 of these *Rules* and Article 7.5 of the *Code*, the completion of the *Results Management* of the case in terms of sanctions beyond the *Olympic Games Paris 2024* itself shall be referred to the applicable *International Federation*.

#### **7.10 Notice of Results Management Decisions**

*Athletes*, other *Persons*, *Signatories* and *WADA* shall be notified of *Results Management* decisions as provided in Article 13.2 of these *Rules* and the *International Standard* for Results Management.

#### **7.11 Reporting information related to Results Management into ADAMS**

The following information related to *Results Management* shall be reported into *ADAMS*:

- (a) notifications of anti-doping rule violations and related decisions for *Adverse Analytical Findings*;
- (b) notifications and related decisions for other anti-doping rule violations that are not *Adverse Analytical Findings*; and
- (c) any decision imposing or lifting a *Provisional Suspension*.

#### **7.12 Retirement from Sport**

If an *Athlete* or other *Person* retires while the *ITA* is conducting the *Results Management* process, the *IOC* retains authority to complete its *Results Management* process. If an *Athlete* or other *Person* retires before any *Results Management* process has begun, the *Anti-Doping Organisation* which would have had *Results Management* authority over the *Athlete* or other *Person* at the time the *Athlete* or other *Person* committed an anti-doping rule violation, has authority to conduct the *Results Management*.

### **ARTICLE 8 – RESULTS MANAGEMENT: HEARING PROCESS**

#### **8.1 CAS Anti-Doping Division**

**8.1.1** Where the *ITA* decides to assert an anti-doping rule violation and where Article 7.8 of these *Rules* does not apply, the *ITA* shall promptly file an application with the *CAS Anti-Doping Division*, acting as first-instance authority to conduct proceedings and to issue decisions, as per the *CAS Anti-Doping Division Arbitration Rules*. The application shall be filed in the name of the *IOC* by the *ITA* acting on the *IOC's* behalf. A copy of such application (which shall be deemed as the notice of charge as defined in the *International Standard* for Results Management) will be provided to the *Athlete*, the *Athlete's NOC*, the *Athlete's International Federation*, the relevant *National Anti-Doping Organisation* of the *Athlete*; the *IOC* and *WADA*.

**8.1.2** The composition of the hearing panel and procedures applicable to the *CAS Anti-Doping Division* shall be as per the *CAS Anti-Doping Division Arbitration Rules*.

## **8.2 Hearings and procedures of the CAS Anti-Doping Division**

**8.2.1** In all procedures relating to any alleged anti-doping rule violation pursuant to these *Rules*, the right of any *Person* to be heard pursuant to paragraph 3 to the Bye-law to Rule 59 of the Olympic Charter will be exercised solely before the *CAS Anti-Doping Division* or the *ITA* (in the context of Article 7.8 of these *Rules*, exclusively).

Pursuant to Rule 59.2.4 of the Olympic Charter, the *IOC* Executive Board delegates to the *CAS Anti-Doping Division* all powers which are necessary for it to take the measures and sanctions envisaged by these *Rules* including, in particular, Articles 9, 10.1, 10.2 and 11. The same applies to the *ITA* in the context of Article 7.8 of these *Rules*.

Hearings may proceed following the assertion of one or more of the anti-doping rule violations set out in Article 2.1 through Article 2.11 of these *Rules*.

**8.2.2** The *CAS Anti-Doping Division* shall issue a timely reasoned decision. The *CAS Anti-Doping Division* shall promptly notify such decision to the *Athlete* or other *Person* concerned, the *IOC*, the *ITA*, the *Athlete's* or other *Person's* *NOC*, the *International Federation* concerned, the *National Anti-Doping Organisation* of the *Athlete's* or other *Person's* country of residence or countries where the *Person* is a national or license holder, a representative of the *Independent Observer Programme* (during the *Period of the Olympic Games Paris 2024*) and *WADA* of such decision.

**8.2.3** The decision of the *CAS Anti-Doping Division* shall also be reported by the *ITA* into *ADAMS* and *Publicly Disclosed* as provided in Article 13.3 and may be appealed as provided in Article 12. Article 13.3.6 shall be applied in cases involving a *Minor*, a *Protected Person* or a *Recreational Athlete*.

## **8.3 Single Hearing Before CAS**

In accordance with the *Arbitration Rules of the CAS Anti-Doping Division*, anti-doping rule violations asserted against an *Athlete* or other *Person* may, with the consent of the *Athlete* or other *Person*, the *ITA* and *WADA*, be heard by the *CAS Anti-Doping Division* acting as a sole instance subject to the conditions set forth in the *Arbitration Rules of the CAS Anti-Doping Division*.

Such decision shall not be construed as an admission of the anti-doping rule violation, a waiver to a hearing and to the right to a written defence, and/or an acceptance of the *Consequences* applicable under these *Rules*, as referred to in Article 7.8 above.

## **ARTICLE 9 – AUTOMATIC DISQUALIFICATION OF INDIVIDUAL RESULTS**

An anti-doping rule violation in *Individual Sports* in connection with an *In-Competition* test automatically leads to *Disqualification* of the result obtained in that *Competition* with all resulting *Consequences*, including forfeiture of any medals, diplomas, points and prizes.

## **ARTICLE 10 – SANCTIONS ON INDIVIDUALS**

### **10.1 *Disqualification of Results in the Olympic Games Paris 2024***

**10.1.1** An anti-doping rule violation occurring during or in connection with the *Olympic Games Paris 2024* may, pursuant to the decision of the *CAS Anti-Doping Division*, lead to *Disqualification* of all of the *Athlete's* individual results obtained in the *Olympic Games Paris 2024* with all *Consequences*, including forfeiture of all medals, diplomas, points and prizes, except as provided in Article 10.1.2.

Factors to be included in considering whether to *Disqualify* other results in the *Olympic Games Paris 2024* may include, for example, the seriousness of the *Athlete's* anti-doping rule violation and whether the *Athlete* tested negative in other *Competitions*.

**10.1.2** If the *Athlete* establishes that *he/she* bears *No Fault or Negligence* for the anti-doping rule violation, the *Athlete's* individual results in the other *Competitions* shall not be *Disqualified*, unless the *Athlete's* results in *Competitions* other than the *Competition* in which the anti-doping rule violation occurred were likely to have been affected by the *Athlete's* anti-doping rule violation.

### **10.2 *Ineligibility and other Consequences***

**10.2.1** Should an *Athlete* or other *Person* be found to have committed an anti-doping rule violation, the *CAS Anti-Doping Division* may declare the *Athlete* or other *Person* *Ineligible*, considering Articles 10.2 to 10.9 and 10.13 of the *Code*, for such *Competitions* at the *Olympic Games Paris 2024* in which such *Athlete* or other *Person* has not yet participated, along with other sanctions and measures which may follow, such as exclusion of the *Athlete* and other *Persons* concerned from the *Olympic Games Paris 2024* and the loss of accreditation.

No *Athlete* or other *Person* who has been declared *Ineligible* or is subject to a *Provisional Suspension* may, during the period of *Ineligibility* or *Provisional Suspension*, continue to participate in any capacity in the *Olympic Games Paris 2024*.

**10.2.2** In accordance with Article 7.1.2, completion of the *Results Management* in the case in terms of sanctions beyond the *Olympic Games Paris 2024* itself shall be referred to the applicable *International Federation*.

**10.2.3** In addition to the automatic *Disqualification* of the results in the *Competition* which produced the positive *Sample* under Article 9 of these *Rules*, all other competitive results of the *Athlete* in the *Olympic Games Paris 2024* obtained from the date a positive *Sample* was collected (whether *In-Competition* or *Out-of-Competition*), or other anti-doping rule violation occurred, through the commencement of any *Provisional Suspension* or *Ineligibility* period, shall, unless fairness requires otherwise, be *Disqualified* with all of the resulting *Consequences* including forfeiture of any medals, points and prizes.

### **10.3 Automatic Publication of Sanction**

A mandatory part of each sanction shall include automatic publication, as provided in Article 13.3.

## **ARTICLE 11 – CONSEQUENCES TO TEAMS**

### **11.1 Testing of Team Sports**

Where more than one member of a team in a *Team Sport* has been notified of an anti-doping rule violation under Article 7 in connection with the *Olympic Games Paris 2024*, the *ITA* shall conduct appropriate *Target Testing* of the team during the *Period of the Olympic Games Paris 2024*.

### **11.2 Consequences for Team Sports**

If one or more members of a team in a *Team Sport* are found to have committed an anti-doping rule violation during the *Period of the Olympic Games Paris 2024*, the *CAS Anti-Doping Division* shall apply the rules of the relevant *International Federation* to impose an appropriate sanction on the team (e.g., loss of points, *Disqualification* from a *Competition*, *Event* or the *Olympic Games Paris 2024*, or other sanction), in addition to any *Consequences* imposed pursuant to these *Rules* on the individual *Athlete(s)* found to have committed the anti-doping rule violation.

Should the relevant *International Federation* not have such rules or, if in the *CAS Anti-Doping Division's* discretion, the rules of the relevant *International Federation* do not adequately protect the integrity of the *Competition* or *Event*, the Panel shall have the authority to determine the *Consequences* on the team, including the *Disqualification* of the team's results in any *Competition* or *Event* or any other *Consequences*. The *CAS Anti-Doping Division* may only take such action in circumstances when one or more members of a team in a *Team Sport* is found to have committed an anti-doping rule violation and, in the Panel's discretion, the violation may have affected the results of the team in the concerned *Competition(s)* or *Event(s)*.

### **11.3 Consequences to Teams in sports which are not Team Sports**

If one or more members of a team in a sport which is not a *Team Sport* but where awards are given to teams, is found to have committed an anti-doping rule violation during the *Period of the Olympic Games Paris 2024*, the *CAS Anti-Doping Division* shall apply the rules of the relevant *International Federation* to determine the *Consequences* on the team (e.g., loss of points, *Disqualification* from a *Competition*, *Event* or the *Olympic Games Paris 2024*, or other *Consequences*), in addition to any *Consequences* imposed pursuant to these *Rules* on the individual

*Athlete(s)* found to have committed the anti-doping rule violation.

Should the relevant *International Federation* not have such rules or, if in the *CAS Anti-Doping Division's* discretion, the rules of the relevant *International Federation* do not adequately protect the integrity of the *Competition*, the Panel shall have the authority to determine the *Consequences* on the team, including the *Disqualification* of the team's results in any *Competition* or *Event* or any other *Consequences*. The *CAS Anti-Doping Division* may only take such action in circumstances when one or more members of a team are found to have committed an anti-doping rule violation and, in the Panel's discretion, the violation may have affected the results of the team in the concerned *Competition(s)* or *Event(s)*.

## **ARTICLE 12 – RESULTS MANAGEMENT: APPEALS**

### **12.1 Decisions Subject to Appeal**

Decisions made under these *Rules* may be appealed as set forth below in Articles 12.2 through 12.5 or as otherwise provided in these *Rules*. Such decisions shall remain in effect while under appeal unless the appellate body orders otherwise.

#### **12.1.1 Scope of Review Not Limited**

The scope of review on appeal includes all issues relevant to the matter and is expressly not limited to the issues or scope of review before the initial decision maker. Any party to the appeal may submit evidence, legal arguments and claims that were not raised before *CAS Anti-Doping Division's* hearing so long as they arise from the same cause of action or same general facts or circumstances raised or addressed before *CAS Anti-Doping Division*.

#### **12.1.2 CAS Shall Not Defer to the Findings Being Appealed**

In making its decision, *CAS* shall not give deference to the discretion exercised by the body whose decision is being appealed.

### **12.2 Appeals of Decisions Regarding Anti-Doping Rule Violations, Consequences, Provisional Suspensions, Implementation of Decisions and Authority**

A decision that an anti-doping rule violation was committed, a decision imposing *Consequences* or not imposing *Consequences* for an anti-doping rule violation, or a decision that no anti-doping rule violation was committed; a decision that an anti-doping rule violation proceeding cannot go forward for procedural reasons (including, for example, prescription); a decision by *WADA* assigning *Results Management* under Article 7.1 of the *Code*; a decision by the *ITA* not to bring forward an *Adverse Analytical Finding* or an *Atypical Finding* as an anti-doping rule violation, or a decision not to go forward with an anti-doping rule violation after an investigation in accordance with the *International Standard* for Results Management; a decision to impose or lift a *Provisional Suspension* as a result of a *Provisional Hearing*; the *ITA's* failure to comply with Article 7.6.1; a decision that the *IOC* lacks authority to rule on an alleged anti-doping rule violation or its *Consequences*; failure to comply with Articles 7.1.4 and 7.1.5 of the *Code*; and a decision by the *IOC* not to implement another *Anti-Doping Organisation's* decision under Article 16 may be appealed

exclusively as provided in this Article 12.

**12.2.1** Subject to Article 12.3 below, in cases arising from participation in *the Olympic Games Paris 2024*, decisions may be appealed exclusively to CAS, in accordance with the provisions applicable to Appeals Arbitration Procedure as set forth in the CAS Code of Sports-related Arbitration.

**12.2.2** *Persons Entitled to Appeal*

**12.2.2.1** The following *Persons* shall have the right to appeal to CAS:

- (a) the *Athlete* or other *Person* who is the subject of the decision being appealed;
- (b) the *IOC*;
- (c) the relevant *International Federation*;
- (d) the *National Anti-Doping Organisation* of the *Person's* country of residence or countries where the *Person* is a national or license holder; and
- (e) *WADA*.

**12.2.2.2** Notwithstanding any other provision herein, the only *Person* who may appeal from the imposition of a *Provisional Suspension* is the *Athlete* or other *Person* upon whom the *Provisional Suspension* is imposed.

**12.2.2.3** All parties to any CAS appeal must ensure that *WADA* and all other parties with a right to appeal have been given timely notice of the appeal.

**12.2.3** *Cross Appeals and other Subsequent Appeals Allowed*

Cross appeals and other subsequent appeals by any respondent named in cases brought to CAS under the *Code* are specifically permitted. Any party with a right to appeal under this Article 12 of these *Rules* must file a cross appeal or subsequent appeal at the latest with the party's answer.

**12.2.4** *Failure to Render a Timely Decision by the IOC*

Where, in a particular case, the *IOC* and/or the *ITA* acting on behalf of the *IOC*, fails to render a decision with respect to whether an anti-doping rule violation was committed within a reasonable deadline set by *WADA*, *WADA* may elect to appeal directly to CAS as if the *IOC* or the *ITA* acting on behalf of the *IOC* had rendered a decision finding no anti-doping rule violation. If the CAS hearing panel determines that an anti-doping rule violation was committed and that *WADA* acted reasonably in electing to appeal directly to CAS, then *WADA's* costs and attorney fees in prosecuting the appeal shall be reimbursed to *WADA* by the *IOC*.

**12.3** **Appeals Relating to TUEs**

*TUE* decisions may be appealed exclusively as provided in Article 4.4 of these *Rules*.

**12.4** **Notice of Appeal Decisions**

The *IOC* or the *ITA* acting on behalf of the *IOC*, or any *Anti-Doping Organisation* that is a party to an appeal shall promptly provide the appeal decision to the *Athlete* or other *Person* and to the other *Anti-Doping Organisations* or other *Persons* that would have been entitled to appeal under Article 12.2.2 as provided under Article 13.2.

## **12.5 Time for Filing Appeals**

The time to file an appeal to *CAS* shall be twenty-one days from the date of receipt of the decision by the appealing party. The above notwithstanding, the following shall apply in connection with appeals filed by a party entitled to appeal but which was not a party to the proceedings that led to the decision being appealed:

- (a) Within fifteen days from notice of the decision, such party/ies shall have the right to request a copy of the case file from the body that issued the decision;
- (b) If such a request is made within the fifteen-day period, then the party making such request shall have twenty-one days from receipt of the case file to file an appeal to *CAS*.

The above notwithstanding, the filing deadline for an appeal filed by *WADA* shall be the later of:

- (a) Twenty-one days after the last day on which any other party having a right to appeal could have appealed; or
- (b) Twenty-one days after *WADA's* receipt of the complete case file relating to the decision.

However, this definition shall not include the actions of bona fide medical personnel involving a *Prohibited Substance* or *Prohibited Method Used* for genuine and legal therapeutic purposes or other acceptable justification and shall not include actions involving *Prohibited Substances* which are not prohibited in *Out-of-Competition Testing* unless the circumstances as a whole demonstrate that such *Prohibited Substances* are not intended for genuine and legal therapeutic purposes or are intended to enhance sport performance.

**Adverse Analytical Finding**: A report from a WADA-accredited laboratory or other WADA-approved laboratory that, consistent with the *International Standard* for Laboratories establishes in a *Sample* the presence of a *Prohibited Substance* or its *Metabolites* or *Markers* or evidence of the *Use* of a *Prohibited Method*.

**Adverse Passport Finding**: A report identified as an *Adverse Passport Finding* as described in the applicable *International Standards*.

In assessing the *Athlete's* or other *Person's* degree of *Fault*, the circumstances considered must be specific and relevant to explain the *Athlete's* or other *Person's* departure from the expected standard of behaviour. Thus, for example, the fact that an *Athlete* would lose the opportunity to earn large sums of money during a period of *Ineligibility*, or the fact that the *Athlete* only has a short time left in *Athlete's* career, or the timing of the sporting calendar, are not relevant factors to be considered in reducing the period of *Ineligibility* under Article 10.6.1 or 10.6.2 of the *Code*.
