Female

Age: 25

Started: Nov. 2011

Profile tracking still pending and TADC continue to take samples

CONCLUSIONS

FOLLOWING UP THE
ATHLETES CAN BE A
LONG PROCESS AND
NEEDED TO BE PATIENT
MOST OF THE TIME.

CONCLUSIONS

FOLLOWING UP
MULTIPLE ATHLETES
SIMULTANEOUSLY CAN
PROVIDE BENEFITS AND
ADVANTAGES TO FIND
SOME CLUES.

CONCLUSIONS

MAKING INTERVIEWS WITH THE
ATHLETES CAN GIVE A NECESSARY
SUPPORT SO AS TO ACCESS
INFORMATION AND INTELLIGENCE

CONCLUSIONS

RESULTS MANAGEMENT UNITS SHOULD HAVE A WELL-QUALIFIED MEDICAL DEPARTMENT IN ORDER TO TAKE TRUE AND PROFESSIONAL HELP.

CONCLUSIONS

IT IS VERY CRUCIAL TO FIND OUT
OTHER SUPPORTIVE EVIDENCES THAT
CAN MAKE THE EXPERTS' OPINION
ENLIGHTENED.

THANK YOU
