

AGREEMENT

Acknowledging the fight against doping is a responsibility of all parties;

Acknowledging doping in sports is harmful practice,

Acknowledging the governmental sport bodies are a relevant part in this fight;

Acknowledging governmental bodies should play a key role in preventing doping by rising the awareness starting from the formative phase of sports development;

Acknowledging the World Anti-Doping Agency keeps ongoing communication with sport bodies, providing state of the art tools and information relevant for this fight;

Mr. David Howman, Director General of the World Anti-Doping Agency (WADA-AMA) and Dr. David E. Bernier, Chairman of the American Sport Council (CADE-ASC), representing these two organizations

AGREE:

That the Executive of CADE will encourage its member countries to full fill the payment of the annual contributions to WADA, based on the percentages and figures agreed during the VIII CADE summit held in Montevideo, Uruguay in February 2008, figures which will enter into force from 2009.

That based on the figures of the formula approved by the CADE, WADA has produced the correspondent percentages of contributions for the countries and that these percentages are integral part of this agreement as they constitute the base for the calculations for the balance the payment of the invoiced budget for the correspondent year on behalf of the Americas countries may produce.

That the Executive Secretariat of CADE will keep ongoing communication with the WADA Regional Office in order to be aware of the status of the payments and to proceed with the due support commitment;

That only once WADA has received the annual top equivalent to 100% established for the region, the balance amount will be transferred by WADA to the official bank account of CADE;

That this agreement will enter in force in 1st January 2009 for a period of two (2) years until 31st December 2011 and can be amended or renewed by mutual agreement of both parts.
