Legal Disclaimer

Athletes should be encouraged to check with their international federation or anti-doping organization for the most up-to-date anti-doping regulations.

All partner translations are to be completed in full, with no changes to the original meaning or content. The front cover can be co-branded with the stakeholder's logo (National Anti-Doping Organization/Sport Federation/Government) and the name of the translator can be added on the inside cover. WADA's materials are not intended for commercial purposes and cannot be used to endorse a particular company or product. Full translations shall be provided to WADA.

Samples and/or pictures of reproduced artwork including educational materials, banners and any other place where the WADA logo is used shall also be provided to and approved by WADA in advance.

WADA requests a minimum 4-6 weeks from the signing of this agreement to fulfil requests or requirements.
