5. **Article 3.7.6:**
The "International Standard for Results Management" was abbreviated to “International Standard”.

3.7.6 The Annexes to the International Standard for Results Management have the same mandatory status as the rest of the International Standard for Results Management.

6. **Comment to Article 5.1.1.1:**
TD DL was defined.

5.1.1.1 *Therapeutic Use Exemption*
5.1.1.1.1 The Results Management Authority shall consult the Athlete’s records in ADAMS and with other Anti-Doping Organizations that might have approved a TUE for the Athlete (e.g., the National Anti-Doping Organization or the International Federation) to determine whether a TUE exists.

7. **Article 5.1.2.2.b:**
The following sentence was added:

8. **Comment to Article 6.4.1:**
The following was added:

6.4 Notification
6.4.1 Unless already notified under another provision of this International Standard, any imposition of a Provisional Suspension notified to the Athlete or other Person or voluntary acceptance of a Provisional Suspension, or lifting of either, shall promptly be notified to the Results Management Authority of the Athlete’s or other Person’s National Anti-Doping Organization(s), International Federation and WADA and shall promptly be reported into ADAMS.

[Comment to Article 6.4.1: To the extent not already set out in the communication to the Athlete or other Person, this notification shall include the following information (if applicable): the Athlete’s or other Person’s name, country, sport and discipline within the sport.]

9. **Comment to Article 9.1.1.d**
Specified Substances or Specified Methods was added. Changed “Contaminated Substances” to “Contaminated Products”:

d) Applicable Consequences; and

[Comment to Article 9.1.1.d]: The decision shall identify the specific provisions on which the sanction, including any reduction or suspension, is based and provide reasons justifying the imposition of the relevant Consequences. In particular, where the applicable rules grant discretion to the hearing panel (e.g., for Specified Substances or Specified Methods or Contaminated Substances/Product(s) under Code Article 10.6.1.1 and 10.6.1.2), the decision shall explain why the period of Ineligibility imposed is appropriate. The decision shall also indicate the start date of the period of Ineligibility (if any) and provide justifications in the event that this date is earlier than the date of the decision (see Code Article 10.13.1). The decision shall also indicate the period of Disqualification, with justification in the event that certain results are not Disqualified for reasons of fairness (Code Article 10.10 of the Code), and any forfeiture of medals or prizes. The decision shall also set if (and to what extent) any period of Provisional Suspension is credited against any period of Ineligibility ultimately imposed, and set out any other relevant Consequences based on the applicable rules, including Financial Consequences. As per Code Article 7.5.1, Major Event Organizations shall, however, not be required to determine Ineligibility or Financial Consequences beyond the scope of their Event.]
10. Article C.2.2.4.2
The term “consequences” was capitalized and italicized into “Consequences” to reflect the Code defined term of “Consequences”.

C.2.2.4.2 An Expert review initiated in the above-mentioned situations may result in the same consequences as an Expert review triggered by an Atypical Passport Finding.

11. Article C.7.2
ESA is defined:

C.7.2 When an Athlete is found to have committed an anti-doping rule violation on any basis other than the Athlete Biological Passport, the haematological and/or Steroidal Passport will remain in effect, except in those cases where the Prohibited Substance or Prohibited Method caused an alteration of the haematological or steroidal Markers, respectively (e.g. for AAF reported for anabolic androgenic steroids, which may affect the Markers of the steroid profile, or for the Use of ESAs or blood transfusions, which would alter the haematological Markers). The Passport Custodian shall consult with their Athlete Passport Management Unit following an Adverse Analytical Finding to determine whether a Passport reset is warranted. In such instances, the Athlete’s profile(s) would be reset from the time of the beginning of the sanction.
