How to Play WADA’s Anti-Doping Card Game

Object of the game: The object of the game is to be the first person to discard all his/her cards, without being banned for life for doping.

What you will need to play: All you need in order to play WADA’s anti-doping card game is the special deck of cards.

How to play:

➢ To start the game, choose a dealer by having each player pick a card from the deck. The person with the highest number is the dealer. When selecting a dealer, the wild cards and the Life-Time Ban card count as zero.

➢ The dealer will give each player seven cards and put the remaining cards face down in the middle of the table. This is the draw pile.

➢ Turn the top card of the draw pile over to form the discard pile.

➢ Take turns beginning with the player to the left of the dealer and go clockwise around the table.

➢ When it is your turn, place a card on the discard pile. Your card must have the same number, color or wording as the top card of the discard pile – or be a wild or draw 4 card.

➢ If you cannot play a card, you must draw a card from the top of the deck. Play the drawn card if you can. If you cannot play the card that you drew, keep it in your hand. It’s the next person’s turn.

➢ You can play a wild card or draw 4 card any time it is your turn.

➢ If you are dealt or draw the Life-Time Ban card, you are instantly out of the game. The Life-Time Ban card should then be placed in the discard pile, under the card that is currently at the top of the discard pile.

➢ Say "Play True" when you have one card left in your hand. If you forget to say “Play True” and another player catches you, you must draw two (2) cards.
